

Railroad Crossing Construction for New Railroad Tracks

Public Information Meeting

Thursday, May 15, 2025

5:00 - 7:00 PM

HLT Terminal Operations Building
1500 Port Access Rd.,
North Charleston, SC 29405

Official Comment Period:
May 1 - May 30, 2025

Meeting Purpose

This meeting will provide information on potential new and modified railroad crossings for new tracks that will be used by trains serving NBIF. The option to close certain roads to improve motorist safety from train collisions is also presented.

Project Purpose

SCPA will install new railroad tracks from existing CSX and Norfolk Southern rail yards in North Charleston to SCPA's Navy Base Intermodal Facility (NBIF). The project will:

- ✓ Facilitate the movement of goods and commerce over rail, reducing the number of trucks on local roads
- ✓ Reduce the number of trucks on local roads transporting containers to existing North Charleston rail yards
