Dear Motor Carrier Participant:

Welcome. Your company is now a participant in the Uniform Intermodal Interchange and Facilities Access Agreement (UIIA). Listed below are the insurance policies as they appear in our files. In addition, all UIIA Equipment Providers are listed showing whether your company is Approved or Not Approved.

Please review your list of Approved Equipment Providers and ensure your company is good for the companies with whom you want to do business with. The information necessary to become approved for those Equipment Providers that you have selected but are shown below as "Selected Pending" can be obtained by accessing your account information on-line.

As a participant in the UIIA your company is responsible for the terms and conditions of the Agreement and the addenda of the Equipment Providers you will be doing business with. In order to obtain copies of the individual Addenda of these Equipment Providers please go to the UIIA website at <u>www.uiia.org</u> and log into your account and then click on "**Download EP Addenda**". Notifications regarding revisions to these Addenda will be sent to you as they occur and this information should be maintained in your files with the original copy of the addenda you download from the UIIA website.

You can access your account anytime, via the UIIA Web Validator. Your access to the Web Validator is:

Account Number or SCAC Code: MC351599 or RODF Password: TRANSPORT16

Please keep our office informed of any changes to your contact information. You can update this information quickly and easily on-line via the Web Validator.

Should you have any questions, please call our toll-free line (877)438-8442 or visit our website at www.uiia.org.

Thank you, Debbie Sasko, AVP Contract Information Services
