	Scontinue to this website (not recommended).
	More information

Please enter your username (normally all capital letters) Please enter your password.

Please do not copy in any blank spaces if you are copying and pasting.

Blank spaces count as a character.

I would NOT recommend saving your username and password, as this will cause issues after a password change.

he server 172 erver reports	.16.10.28 is asking for your user name and password. The that it is from WebConnect.
	User name Password Remember my credentials
	OK Cancel

If this is your first initial login after being granted access, you will receive the following window. Please enter the password you logged in with and then enter your newly created password twice and select OK

Your password has expired.

You must enter a new password to continue.

Current Password:	
New Password:	
Confirm New Password:	
OK]

You will then select SESSIONS located in the left menu pane:

You will now be prompted to login with your newly created password Please enter your credentials:

Windows Security	
The server 172. server reports t	16.10.28 is asking for your user name and password. The hat it is from WebConnect.
	User name Password Remember my credentials
	OK Cancel

Select your 3270 icon:

This will open your Orion session window; a Java window will no longer open as this is HTML5 access:

The Agent, Broker, Cust-Inq, access will no longer be stationed on the top tool bar of your Orion session. It is now located on the bottom of the Orion session keypad.

Some may be located in the first row and some may be located in the last row.

You may have to lengthen your screen to see the keys if they are located on the bottom row.
